

### REMARKS

Applicants' representative, Wan Yee Cheung, thanks Examiner Bui for extending her courtesy for a telephone interview on January 31, 2008, during which the amendment of claim 1 was discussed. Applicants' representative understands from Examiner Bui that a Supplemental Notice of Allowance would be sent upon the receipt of this Amendment pertaining to claim 1.

Claim 1 has been amended by replacing the words "at least one search result" with "one or more search results", solely to provide consistency with the terminologies used in various dependent claims, e.g., claims 8, 11 and 12, among others.

Although not discussed during the telephone interview, claim 5 has also been amended to depend from claim 3 (instead of claim 2), in order to provide a proper antecedent basis for the term "the highlighted channel object".

No new matter has been added as a result of these amendments. Since the amendments pertain only to the correction of formal matters without changing the scope of the claims, Applicants respectfully request that the amendments be entered.

If the Examiner believes that there are unresolved issues in any of the claims, it is requested that the Examiner telephone Eamon Wall or Wan Yee Cheung at (732) 530-9404 so appropriate arrangements can be made for resolving such issues as expeditiously as possible.

Respectfully submitted,

Dated: 2/5/08
